2. Centre Approval Requirements

Centre Approval

Prospective Centres should apply to become an approved CTH Centre in order to deliver this qualification. Please see the 'About CTH' page at the end of this specification for advice on the CTH approval process or if you wish to discuss your curriculum requirements.

The CTH Approval Committee will consider applications from centres against a set of criteria, including the availability of suitable teaching accommodation and staffing, experience of delivering qualifications at a similar level, and evidence of expertise in academically-related areas, including planning the delivery of courses leading to regulated qualifications, quality assurance and preventing malpractice and maladministration. An online video conversation with CTH academic and quality staff will form part of the initial accreditation application process.

Teaching Rooms

Suitable teaching rooms and IT facilities should be available to students. Accommodation and equipment used for the delivery of the qualification must comply with the relevant legislation relating to Health & Safety.

The approved Centre should ideally also provide an appropriate area and facilities for student relaxation and recreation.

Centre Staffing

Staff delivering this qualification must be able to demonstrate that they meet the following requirements:

- Be occupationally competent or technically knowledgeable in the area for which they are teaching.
- Have recent relevant experience in the specific area that they will be assessing or verifying.
- Hold a teaching qualification as well as a relevant degree.

CTH will review the CV's of all teaching staff when a potential Centre seeks approval to deliver the qualification. Centres must appoint an Internal Verifier (IV) and have a named quality insurance lead.

Continuing Professional Development

Centres must support their staff to ensure that they have current knowledge of the occupational area, and that delivery, assessment and internal verification is in line with current good practice and takes into consideration relevant international regulatory requirements.

3. CTH Support

CTH Delivery and Assessment Handbook

Centres approved to deliver this qualification will be provided with a comprehensive Delivery and Assessment Handbook designed for the qualification delivery team of teaching staff, quality assurance staff and administrators.

CTH Training

New CTH centres are offered a short induction session (delivered online in most cases) to help them prepare, then deliver their courses leading to CTH qualifications.

CTH also offers training for Internal Verifiers, and for teaching staff who may be delivering a unit for the first time.

CTH Members Website and Resources

The CTH Members website resource is available for both Centre teaching staff and students and contains a wealth of resources. Students can access our online resource library including relevant e-books and journals from EBSCO. Teaching staff can download teaching materials including the CTH Learning Toolkits per unit as well as subject specific PowerPoint slides, past exam papers and assessments and examiner reports.

Assessment Opportunities

CTH offers up to four assessment opportunities each year, with associated Exam Boards and Certification. Contact CTH or see the CTH website for more details.

Assessment Responsibilities

Centres must:

- Register students as CTH Members no later than 4 weeks after starting to teach the course.
- Register students for each assessment submission within the timescales stated on the CTH website.
- Hold at least two (maximum of three) progress tutorials with each student per assignment unit which must be fully documented and signed by the centre marker and the student.

- Ensure students understand how to avoid academic dishonesty and check that work in progress and that submitted to CTH is the students' own.
- Centres are responsible for the marking and internal verification of assessments using the mark sheets provided.
- Send the following assessment evidence to CTH electronically via the CTH Hub: student assignments (Word versions only), completed mark sheets, signed student & centre marker declarations of authenticity, and compulsory progress tutorial record forms.
- Prepare students for examinations via worked questions in class and mock exams.

CTH:

Assignments:

- CTH produces all assignment briefs and makes these available to centres.
- CTH uses Turnitin to check all assignments for similarity, then moderates student work.

Examinations:

- All examinations are set by CTH, who distributes these electronically to Centres.
- Student exam scripts are returned to CTH, with attendance sheets, seating plans and any other documentation including special consideration forms, invigilators reports, suspected malpractice reports.
- CTH staff mark and also moderate all exam scripts.

The CTH Exam Board meets four times a year to review all moderated assessment results, taking into consideration special considerations and mitigating circumstances, reports from the Malpractice Panel, and other information including previous results over time. The Exam Board will ratify all results before publication.

Internal Verification

An internal verifier (IV) is a designated person, internal to the centre, who has responsibility for verifying and signing off the assessment outcomes and providing feedback to the assessors. They should have a good understanding of the units/qualifications being assessed.

The Centre internal verifier assures the quality of the assessment process within the Centre. Internal verifiers must sample assessment decisions using a sampling plan, which takes into account a risk assessment which has been conducted as part of the centre's internal QA strategy.

Internal verifiers should also plan the observation of centre markers during any practical assessments, especially to support new centre markers, and provide constructive feedback.

4. Qualification Level, Size and Structure

The Office of Qualifications and Examinations Regulation (Ofqual) regulates qualifications, examinations and assessments in England. The CTH Level 3 Certificate in Hospitality and Tourism is a vocationally related qualification on the Ofqual Regulated Qualification Framework (RQF), and adheres to the regulations set out in the Ofqual Handbook.

Ofqual regulated qualifications are recognised and trusted by parents, employers and educational establishments globally due to the stringent controls and quality assurance requirements Ofqual places on awarding organisations, qualifications and approved delivery centres.

Qualification Size

The qualification is designed to be delivered in 600 hours of TQT (Total Qualification Time) of which 300 are Guided Learning Hours (GLH). TQT is the total amount of time, in hours, expected to be spent by a student to achieve a qualification.

Definitions:

- **Guided Learning Hours – GLH**
This is the amount of time the average student is expected to spend in supervised learning and practice but may vary by student.
- **Total Qualification Time – TQT**
TQT is made up of Guided Learning Hours plus all other time taken in preparation, study or any form of participation in education and training but not under the direct supervision of a lecturer or centre marker.

The following activities are indicative of those included in TQT:

- Independent and unsupervised learning or research.
- Unsupervised coursework or directed activity.
- Watching pre-recorded webinars or podcasts.
- Work placement, self-study, visits to hospitality or tourism outlets, revision and time spent on written assignments.

Students completing this qualification should be able to demonstrate their ability as independent learners.

This qualification is at

- Level 3 on the Regulated Qualifications Framework in England (RQF).

CTH qualifications comply with level descriptors set by Ofqual, which are divided into two categories:

- Knowledge and Understanding.
- Skills.

The descriptors below set out the generic knowledge and skills associated with the typical holder of a qualification at that level.

5. Qualification Grading Criteria

Individual units can be graded either as fail, pass, merit or distinction. The qualification is also graded. In terms of certification, this means that students will receive a transcript of their results showing the grades for each unit successfully completed, plus the Certificate Award that recognises their level of achievement.

The following table explains the generic grading criteria that should be used by centres in conjunction with the unit mark sheets to assess all students' work.

Level 3		
To achieve a pass, students must:	To achieve a merit grade (60% to 69%) students must:	To achieve a distinction grade (70%+) students must:

6. Assessment Methodology

Given the broad and highly varied nature of the Hospitality & Tourism business, assessment of knowledge purely by examination is not generally felt to be an appropriate assessment method. Students need to demonstrate their higher-level skills and qualities specified in the learning outcomes within a vocational context where investigative assignments and presentations are more appropriate.

Assessment of students' work for this qualification will be carried out by written assignments. Students' work will be measured against the specified learning outcomes and assessment criteria of each unit. Mark schemes are provided for each unit and grading criteria are set out to assist centre markers in allocating marks.

See Section 8 for specimen assessment materials applicable to this qualification.
