1. Introduction

Overview

The objective of this Qualification Specification is to provide an overview of the **CTH Level 2 Award in Barista Skills** qualification.

This document includes the aim, size, structure and content including learning outcomes and assessment criteria for each unit, together with a sample assessment.

There is guidance relating to the centre approval, delivery and assessment requirements for this qualification, and details of grading criteria and the grading of units.

Further details regarding this qualification are available from CTH and contained within the more comprehensive Delivery and Assessment Handbook.

Purpose of the Qualification

The purpose is to provide a qualification that:

- Meets the needs of learners who work or want to work as barista staff in the hospitality sector.
- Provides a practical award that complements learners' industry experience.
- Enables learners to gain credits towards higher education.
- Provides for an effective academic progression route.
- Enables learners to develop barista skills that can be applied in a vocational context and may be required for employment.
- Enables learners to progress within the hospitality industry.

Access and Entry Requirements

The entry requirements below are intended for guidance only as applicants may apply with a wide variety of backgrounds and qualifications.

Approved CTH Centres are responsible for ensuring learners meet the recommended admission requirements below, prior to admission and enrolment, and are deemed able to fulfil the demands of the course and successfully complete the qualification.

CTH would also expect approved Centres to undertake an initial assessment of each learner prior to the start of their programme to ensure they are able to provide the learner with any necessary additional support.

Requirements		Recommended Admission Requirements
All Learners	Minimum Age	16 at enrolment.
	English Language	All learners without English as a first language must hold at least IELTS 5.0 or other evidence of competence in English at this level. The course is taught in English and assessed by written examination in the English language.
	Study Skills	Basic study skills.
	Education	This is an open access qualification with admission at the discretion of approved CTH Centres for learners they consider able to successfully complete the qualification. However, all learners should have completed full time secondary education up to age 16, and it is expected that most will have achieved a recognised qualification at Level 2 in some subjects (UK GCSE level or overseas equivalent).

2. Centre Approval Requirements

Centre Approval

Prospective Centres should apply to become an approved CTH Centre in order to deliver this qualification. Please see the 'About CTH' page at the end of this specification for advice on the CTH approval process or if you wish to discuss your curriculum requirements.

The CTH Approval Committee will consider applications from centres against a set of criteria, including the availability of suitable teaching accommodation and staffing, experience of delivering qualifications at a similar level and evidence of expertise in academically-related areas, including planning the delivery of courses leading to regulated qualifications, quality assurance and preventing malpractice and maladministration. An online video conversation with CTH academic and quality staff will form part of the initial approval application process.

Teaching Rooms & Facilities

In order to be approved to deliver this qualification, centres must have suitable teaching rooms and facilities. Accommodation and equipment used for the delivery of the qualification must comply with the relevant legislation relating to Health & Safety.

It is mandatory that centres also have suitable equipment summarised below, which must be available to learners during timetabled hours for demonstrations, practice, formative testing and final observed assessments. Approval to deliver the qualification will depend on evidence of the availability of these facilities.

The approved Centre should ideally also provide an appropriate area and facilities for learner relaxation and recreation.

Centre Staffing

Staff delivering this qualification must be able to demonstrate that they meet the following requirements:

- Be occupationally competent or technically knowledgeable in the area for which they are teaching.
- Have recent relevant experience in the specific area that they will be assessing or verifying.
- Hold a teaching qualification as well as a relevant degree.

CTH will review the CV's of all teaching staff when a potential Centre seeks approval to deliver the qualification. Centres must appoint an Internal Verifier (IV) and have a named quality insurance lead.

Continuing Professional Development

Centres must support their staff to ensure that they have current knowledge of the occupational area, and that delivery, assessment and internal verification is in line with current good practice and takes into consideration relevant international regulatory requirements.

3. CTH Support

CTH Delivery and Assessment Handbook

Centres approved to deliver this qualification will be provided with a comprehensive Delivery and Assessment Handbook designed for the qualification delivery team of teaching staff, quality assurance staff and administrators.

CTH Training

New CTH centres are offered a short induction session (delivered online in most cases) to help them prepare, then deliver their courses leading to CTH qualifications.

CTH also offers training for teaching staff who may be delivering a unit for the first time.

CTH Members Website and Resources

The CTH Members website resource is available for both Centre teaching staff and learners and contains a wealth of resources. Learners can access our online resource library including relevant e-books and journals from EBSCO.

Assessment Opportunities

The scheduling of the practical assessment AND the multiple choice test may be scheduled by the centre for registered learners, provided 3 weeks' notice is given to CTH.

Assessment Responsibilities

Centres must:

- Register learners as CTH Members at the start of the course.
- Ensure all CTH assessment registration fees are paid in full prior to the exam session.
- Ensure that all learners have government issued photographic identity documents before enrolment, which must include their date of birth. Acceptable documents include passport, driving licence or identity card. This must be available for verification at the start of each assessment.
- Prepare learners for examinations via worked questions in class and mock exams.
- Contact CTH to arrange the practical assessment and the MCQ test.
- Send assessment evidence to CTH electronically via the CTH Hub.
- Centres are responsible for the marking and internal verification of the practical assessments using the mark sheets provided.

CTH:

- CTH processes registrations and payments prior to issuing access details for assessments.

Multiple Choice Test:

- CTH will provide to all learners detailed instructions and requirements for sitting online assessments, including the remote invigilation system in place. The web-based system will monitor the learners whilst taking the online unit tests.
- CTH writes the examination questions which will cover the assessment criteria.
- After the MCQ test, the system automatically generates provisional test results, using marking specifications from CTH. These provisional results are made available to learners immediately after completion of the assessment.
- The CTH system records both the sound and video of learners whilst taking online assessments.
- CTH carries out moderation for all examinations, and as a consequence may adjust results.
- CTH Exam Board will review all results and moderation before final results are issued in the form of e-Certificates.

Practical Examination:

- CTH produces all assessment briefs and mark sheets, and makes these available to centres.

Internal Verification

An internal verifier (IV) is a designated person, internal to the centre, who has responsibility for verifying and signing off the assessment outcomes and providing feedback to the assessors. They should have a good understanding of the units/qualifications being assessed.

The Centre internal verifier assures the quality of the assessment process within the Centre. Internal verifiers must sample assessment decisions using a sampling plan, which takes into account a risk assessment which has been conducted as part of the centre's internal QA strategy.

Internal verifiers should also plan the observation of centre markers during any practical assessments, especially to support new centre markers, and provide constructive feedback.

External Moderation

CTH carries out post-exam moderation and checks by reviewing a sample of exam recordings for each centre. This includes checks on learner identity, and investigation of any suspected malpractice or other academic dishonesty.

The CTH Exam Board will review the results including marks adjusted following moderation. The Exam Board will consider reports, and further adjustments may be made before final marks are agreed and issued, in the form of e-certificates.

4. Qualification Level, Size and Structure

The Office of Qualifications and Examinations Regulation (Ofqual) regulates qualifications, examinations and assessments in England. The CTH Level 2 Award in Barista Skills is a vocationally related qualification on the Ofqual Regulated Qualification Framework (RQF), and adheres to the regulations set out in the Ofqual Handbook. Ofqual regulated qualifications are recognised and trusted by parents, employers and educational establishments globally due to the stringent controls and quality assurance requirements Ofqual places on awarding organisations, qualifications and approved delivery centres.

Qualification Size

The qualification is designed to be delivered in 40 hours of TQT (Total Qualification Time) of which 25 are Guided Learning Hours (GLH). TQT is the total amount of time, in hours, expected to be spent by a learner to achieve a qualification.

Definitions

- **Guided Learning Hours – GLH**
This is the amount of time the average learner is expected to spend in supervised learning and practice, but may vary by learner.
- **Total Qualification Time – TQT**
TQT is made up of Guided Learning Hours, plus all other time taken in preparation, study or any form of participation in education and training, but not under the direct supervision of a lecturer or centre marker.

The following activities are indicative of those included in TQT:

- Guided Learning (GLH) when the lecturer is present, e.g. formal classes, lectures, seminars, tutorials, supervised assessment such as exams or observed practice.
- Independent and unsupervised learning or research.
- Unsupervised coursework or directed activity.
- Watching pre-recorded webinars or podcasts.
- Work placement, self-study, visits to hospitality or tourism outlets, revision and time spent on written assignments.

Learners completing this qualification should be able to demonstrate their ability as independent learners.

Qualification Level

This qualification is at

- Level 2 on the Regulated Qualifications Framework in England (RQF).

CTH qualifications comply with level descriptors set by Ofqual, which are divided into two categories:

- Knowledge and Understanding.
- Skills.

The descriptors below set out the generic knowledge and skills associated with the typical holder of a qualification at that level.

Level 2 Knowledge descriptor:	Level 2 Skills descriptor:
The holder...	The holder can...
<ul style="list-style-type: none">• Has knowledge and understanding of facts, procedures and ideas in an area of study or field of work to complete well-defined tasks and address straightforward problems.• Can interpret relevant information and ideas.• Is aware of a range of information that is relevant to the area of study or work.	<ul style="list-style-type: none">• Select and use relevant cognitive and practical skills to complete well-defined, generally routine tasks and address straightforward problems.• Identify, gather and use relevant information to inform actions.• Identify how effective actions have been.
